**Confidential Operating Agreement  
between  
Geranna Community College and Rappahannock Community College**

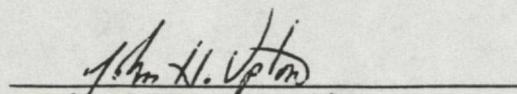

Because Geranna Community College (GCC) and Rappahannock Community College (RCC) share responsibility for serving King George County, and given the collective interests of the Presidents of these colleges and the VCCS Chancellor in delivering quality service on a continuing basis as effectively and efficiently as possible, the following agreement is effected. Its primary purposes are to clarify the role of each institution in relation to service to King George and to promote consistency of performance therewith in order to 1) avoid competition, 2) preclude unnecessary duplication, and 3) minimize confusion.

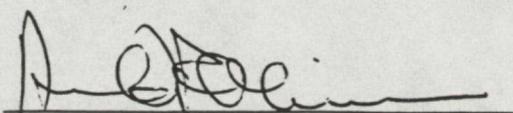

- GCC shall continue to accept King George County residents for enrollment on the same basis as it accepts other residents in its service region, and may continue to seek public funding from the King George County Board of Supervisors for the county's proportional share of local funds required for major campus site development, but not for annual operational needs;
- RCC shall continue to offer classes and related support services off-campus in King George County and be the lead college for responding locally to King George County's needs. RCC may continue to seek public funding from the King George County Board of Supervisors for the county's proportional share of college local funds required for operational purposes, but not funds for major site development needs. RCC shall be the lead college for local contacts involving 1) the business and professional communities, and civic organizations regarding training needs and financial support, and 2) the schools regarding dual credit and shared facilities.
- The Presidents of the two colleges are responsible to the Chancellor for maintaining college practices and performance consistent with the spirit of this agreement.

The foundation for successful implementation of the foregoing agreement, more than eight years in a cooperative and respectful partnership vis-à-vis King George, is well established. We look forward to building on that record.

This agreement shall be effective July 1, 1995; local fund budget requests governed by this agreement may be made after July 1, 1995, for the fiscal year beginning July 1, 1996.

  
Francis S. Turnage, President  
Geranna Community College

  
John H. Upton, President  
Rappahannock Community College

  
Arnold R. Oliver, Chancellor  
Virginia Community College System
