RE: 2010 EBIS Top 10 Award

Dear Travis,

It is a pleasure to present King George County with the 2010 EBIS Top 10 Award recognizing your organization's contributions to the Virginia Institute of Government's Email Broadcast Information Service (EBIS). The award was announced at the VLGMA winter conference.

This plaque acknowledges not only the County's help over the past year, but also reliable and valued responsiveness over several years.

It is this willingness to assist your fellow localities and local government officials that makes the EBIS an important resource for Institute members across Virginia. Without your contributions and those of your peers, this system could not be a success.

Thank you, again, for your consistent feedback. Through this continuing partnership, we look forward to providing Virginia localities with critical help on nuts and bolts issues for years to come.

Very truly yours,

Tedd E. Povar
Associate Director
