MEMORANDUM

DATE: June 25, 2002

TO: Dr. Candace Brown, Superintendent of Schools
Ms. Lynn Mayberry, Chairperson, Smoot Library Board of Trustees
Constitutional Officers
Dave Coman, Social Services Director

FROM: Dennis W. Kerns, Interim County Administrator 

SUBJECT: Technology Committee

During a recent work session between members of the Smoot Library Board of Trustees (BoT) and the Board of Supervisors, the issue of a Technology Committee was discussed. The BoT members indicated their need for a remote location in one of the new schools, and also mentioned the County needs as presented at the Planning Commission's public hearing regarding Capital Improvements. After discussing the matter, the Board of Supervisors agreed that a Technology Committee should be established encompassing all factions of the County to provide an opportunity to work together to meet the ever-growing technology needs.

Based on the above, please submit the name of a representative from your office/committee or department (including an alternate) to serve on this new committee. Once I have received this information from you, I will establish a Committee list and make arrangements to have an organizational meeting.

I greatly appreciate your assistance in this matter, and if you have any questions or concerns please feel free to call me.
