

**KING GEORGE COUNTY
INTERNAL RECRUITMENT - JOB ANNOUNCEMENT
LANDFILL OPERATIONS MANAGER**

King George County is seeking applications from County employees for the position of Landfill Operations Manager. Position is responsible for technical and administrative work supervising the operation of the landfill; duties include, but are not limited to, monitoring the activities of the landfill and gas contractors to ensure compliance with Federal/State/County regulations related to landfill construction, solid waste disposal, methane gas management and recycling, supervision of landfill personnel, inspection activities, and other related tasks as required. The successful candidate will have thorough knowledge of methods, principles and practices related to solid waste management, landfill and recycling operations, laws and regulations governing landfill and recycling operations, and proven ability to interact effectively with citizens, staff, regulatory agencies, consulting engineers, contractors and government officials. Requirements include any combination of education and experience equivalent to an Associate Degree from an accredited community college, college or university with major course work in engineering, environmental science or related fields; and/or considerable experience in landfill, solid waste and recycling operations.

Applications from County employees will be accepted until COB Monday, July 24, 2006. Interested candidates must submit a King George County application to the Office of the County Administrator, King George County, 10459 Courthouse Drive, Suite 200, King George, Virginia 22485; (540) 775-9181 (application is also available on line at www.king-george.va.us). King George County is an Equal Opportunity Employer.
