

BOARD OF SUPERVISORS AGENDA ITEM

Meeting Date: August 15, 2023

Item Number: 08-17

Subject

Public Hearing to Consider Renewing a Resolution Requesting Adoption of a Through Truck Restriction on Route 206 (Dahlgren Road)

Recommended Action

Conduct initial public hearing and defer action to additional public hearing on September 5

Summary of Information

On August 2, 2022, the Board of Supervisors conducted a public hearing and adopted a resolution to request that the Commonwealth Transportation Board (CTB) adopt a no through truck restriction on Route 206 (Dahlgren Road). The CTB was not able to act on the request within the nine months prescribed by 24 VAC 30-580-30. To extend the time for the CTB's action on the request and to confirm that conditions still merit a no through truck restriction, a new public hearing and renewal resolution are recommended. The notice of public hearing for the August 15, 2023, agenda was initially published with a typographical error, so it is recommended that the public hearing be postponed until September 5, 2023; or, the Board may conduct a first public hearing on August 15 and a second on September 5.
