August 18, 2023

Dear Friends,

It is the time of year that we start planning for the annual holiday programs for the residents of our county who need some assistance to make Thanksgiving and Christmas a special time for their families. The Annual Thanksgiving and Christmas Programs have been a tradition in King George County for many years, and one that we are proud to be a part of at the Department of Social Services. We hope to make this year as much of a success as in years past and to bring happiness to everyone we serve during this special year.

We are seeking donations from the community. As in the past, we would like to ask you to participate in the Annual Thanksgiving and/or Christmas Programs by serving as a sponsor to one or more of the families. Sponsors provide frozen turkey and the other fixings that complement a full course dinner for our recipient families for the Thanksgiving Program and gifts for the Christmas Program.

If you would like to participate in either of this year's programs, please complete the enclosed sponsor form and return it to our office at your convenience. We request that you return the completed forms by **October 2, 2023**. We will not be sending out any further notifications through the mail this year, rather we will be sending out all notifications via email. **Please provide a valid email address on the sponsor form** for your primary contact, so we can ensure that you receive future notifications, reminders, and most importantly, your sponsored family's information.

Tracy Curtis will be coordinating the sponsors and the donations for both programs. Tracy can be reached at 540-775-3298 or tracy.curtis@dss.virginia.gov to answer any questions you may have about the program.

Thank you for the tremendous support and care shown to our neighbors during the holiday season.

Sincerely,

Jonathan Franklin

Director of Social Services
