### **Holiday Shopping Tips**

- Law abiding citizens will be busy shopping and running errands in preparation for the season. Criminals will also be out and about looking for easy targets and to make a big score.
- Even though you may be rushed and have many things on your mind, be aware of your surroundings. If possible, shop before dark and coordinate trips with a friend.
- Never Park in an unlit lot or area, no matter how convenient it is.
- Remove all valuables from your vehicle. Keep your vehicle doors locked and windows closed; this is especially important for SUVs.
- Have your keys readily available in your hand before you go to your car.
- When you return to your vehicle, scan the inside of your car to be sure no one is hiding inside. Check to see if you are being followed.
- Avoid carrying large amounts of cash. Pay for purchases with a check, credit card, or debit card whenever possible.
