On 07 February 2026, members of the King George Sheriff's Office proudly participated in the **Special Olympics Polar Plunge!** With wind chills of -4° degrees and water temperatures at 37°, our team took the plunge to support the incredible athletes of Special Olympics. Events like this highlight the power of community, teamwork, and service beyond the badge. We are grateful to everyone who donated, supported, and cheered from the shore. Your generosity helps provide year-round sports training and competition for athletes with intellectual disabilities. Thank you for helping us make a difference!

### ❄️ **Clear your car before you go!** ❄️

Ice that isn't cleared from vehicles can cause real damage and put lives at risk. Please take a moment to fully clean off your vehicle before driving.

Before hitting the road, take a few extra minutes to fully clean off your vehicle:

🚗 Remove snow & ice from the roof, hood, and trunk

🚗 Clear all windows, mirrors, headlights & taillights

🚗 Check around your tires for packed snow

🚗 ***Flying snow and ice can be dangerous for you and other drivers***

Clean car = safer roads. Let's look out for each other this winter 🧡🚗

Stay safe, KG!

**Black History Month** is a time to honor the bravery of those who paved the way for progress and to reflect on the importance of acceptance in building stronger, safer communities. We recognize the contributions, resilience, and impact of Black leaders—past and present—who continue to inspire positive change. May that beacon of change, lit by those with no choice but to fight through the barriers of oppression and persecution, continue to burn away the stains of hatred while lighting the path to a better nation.

**Criminal Justice Scholarship Opportunity.** Application Deadline 01 May 2026. Open to High School & College Students. Apply today at <https://vasheriffsinstitute.org/programs/scholarship>
