## KING GEORGE PARKS & RECREATION PROGRAM INFORMATION

The programs that are listed in this Program Guide are the programs that we had planned by the published due date. Please check our website listed below or scan the QR code for a complete list of current programs.

Due to facility limitations, programs may be subject to changes in times and/or locations. Please verify with the Department upon registering. In the event of a program change, postponement, or cancellation, information will be sent out through **KG Alert**. We recommend that you sign up for this free service at [kgalert.com](http://kgalert.com).

Please register for classes in advance. Waiting until the last minute may cause a class to cancel. Classes may be canceled due to insufficient enrollment. Unless otherwise noted or notified by an instructor/program supervisor, classes/programs may be held on holidays.

**LATE REGISTRATION FEES** - A \$10 late fee will be imposed on any program registrations received after the deadline. Any late registrations for leagues that are received after the rosters are set will be assessed at \$20 plus any additional cost associated with ordering needed equipment or supplies.

**RETURNED CHECKS** - Checks returned for insufficient funds will be assessed a \$50 fee by the King George County Treasurer's Office. Customers who submit a check with insufficient funds will no longer be able to pay by check.

**REFUNDS** - Full refunds are issued in the event a program cancels; or if the Department is notified prior to the program starting and where no costs are incurred. Where costs were incurred for deposits, apparel, equipment, or any other program- related expenses; those costs will be deducted from the refund. No cash refunds will be given. Refunds generally take two to four weeks to receive due to the accounts payable cycle. Refunds are not issued after programs begin or for unattended classes. Unusual circumstances will be handled on a case-by-case basis and may be subject to being credited for unused funds.

**CANCELLATIONS AND REFUNDS** - Every once in a while we think we have a great program idea or an instructor has proposed a great program, but the enrollment is insufficient. If a program is canceled in its' entirety, notifications will come by KG Alert and refunds will be issued.

**INCLEMENT WEATHER POLICY** - Programs held at any King George County School will be canceled if KGCS closes with a Code 1. In the event of a Code 2 or 3 closure, Parks & Recreation may still hold programs. Announcements about program cancellations will be sent through KG Alerts.

## KING GEORGE SPORTS ACADEMY | KGSA

KG Sports Academy is excited to share its commitment and passion for youth sports! Coach Castillo, who leads the academy, has witnessed many young players excel in one age division and freeze in the next. To combat this, KGSA works to prepare players that are moving from one age division into the next for their respective sport through developmental drills and exposure to in-game scenarios. Each camp specifically helps young athletes to become familiar with the new rules and game play for the next division, build their confidence, and ensure their success moving forward.

## KGSA COMPETITIVE BASKETBALL CLINICS

KGSA is excited to host high-energy competitive basketball clinics designed to build skills, confidence, and a love for the game, all while having fun!
